“ *My heart is broken over the loss of my dear friend. Greg just stopped by our house here in Winterset this afternoon because he didn't have my phone number to contact me about her passing. My thoughts and prayers are with all of her family. She was such a good and dear friend. The last time we spoke on the phone (for several hours), we shared so much laughter and memories. I'm just so very sorry but so grateful to have known and loved her.*

My sweet 'sister in Christ', my heart is broken. I loved you so much and will miss you tremendously. You will be remembered by me as being the most compassionate and loving persons I've ever known. Your love for God and Jesus Christ was something you were not ashamed of. You were my prayer warrior and I thank you and love you for that. Your love for children.....you had so many kids in your lifetime that you loved dearly and prayed for. You made their lives better. I have no doubts that many of them came to Christ and accepted Him as their personal Savior because of you. Your love for Greg in giving him the support that you could offer, the best that you could, was wonderful. I loved that you prayed together often, read your bibles and took communion often. What a true testament of your faith. An angel you are and I know the Lord God is telling you, "Well, done good and faithful servant." My tears are for me. I'm so sad to go on without you. I will rejoice however in where you stand now with a crown of jewels upon your head for all the wonderful deeds and love you gave people throughout your lifetime. God bless the family of Kathy. She was my best friend. We could share anything with each other and not be judged. Love you sweetie. Denise

I was just thinking about this time of year and going to the pool with Kathy, Ann, Cheryl, and Debi. We always had fun all summer. I remember a lot about when we all lived down by Central School and that neat old brick house. We were pretty little then. Kathy, you are in so many of my childhood memories and I will always cherish those.

My deepest sympathies to all Kathy's family. I have many fond memories of Kathy and the times I did the Friday night babysitting during football season. For some reason I remember a "scary" story of the "vindow viper" -told with a heavy accent - that must go back to 5th or 6th grade, I certainly fell for it at the time.

May all your good memories stay with you, and be shared often. Peace to you all,

Linda (Moe) Rowe
