I always looked forward to seeing Kay at Sturgis Falls, often with someone from her family in her tent at the craft show. Such a happy and gifted girl, who helped me many a time in Mrs. Mc Coy's Home Ec. class with my sewing. I saw her all bundled up at the parade last year and had to take a picture. She said being from the south, she was not used to the cold temps in Iowa. We both got a laugh out of that. I will miss her.
