“ Ken was my mom’s cousin. (Vivian Hertzke Weishaupt) Because he lived near the CO Hertzke family we all got to know Ken at family gatherings. He always came & brought jello or pie. He loved to play crazy games at our annual 4th of July picnic “Olympics”. He always came to Christmas & Easter dinners as well as birthday & anniversary celebrations. He seemed quiet, but we could always have a great conversation with him. I’m sorry we didn’t know of his passing sooner. I’m glad my niece Tami kept checking until Ken’s niece was able to notify the Hertzke family. Even though I live in Texas I had the pleasure of seeing Ken most times I visited. Sincerest sympathies to his entire family.

“ Ken joined our family holiday gatherings for as long as I can remember. We enjoyed sharing family memories while creating new ones together. Ken was well known for bringing a delicious salad or homemade fruit jello to share. He was loved and is missed. Rest In Peace Ken, God Bless. Tami Grant and Family
