“ No, no, no. My heart is broken. So many of my favorite memories of elementary school have something to do with Kevin. He was my ever faithful friend throughout all of middle and high school. My drawing class partner-in-crime with Mr. Storm & Mel. I've kept all of his doodles he ever gave me and now I always will. Thank you, Agnes, for always being willing to give me a ride home from school. I'll always be the Winnie to his Kevin.
