“ He was the best Dad I could have ever asked for. He taught me how to build things, fix cars, and peel out in my first car. I may not get to experience all the things in life with him that I wanted to, but I will cherish every moment we had. See you on the other side dad, I will love you always. Love, Rachel (Red)

“ I will never understand why god took you from us so soon but he must have a plan for you. You were the best dad a girl could ask for and the most amazing grandpa to Jackson. He looks at your pictures of you and him and smiles. I'm so glad you got to be a part of his life. I miss you so much and love you more than words can explain.

*I love you Poppey ??*
