“ I've been at Tyson since 2006 and in my time there I've gotten to know Kimmy very well. Most of my inventory years I would make sure to stop out in the front guard shack and talk with her she was such a lovely person and a joy to be around she will be missed

“ Kim was not a step-mom to my children. She treated Morgan and Jalen like her own. That wonderful woman took those kids out to eat, gave them rides to and from school. They even lived at her home without any hesitation on her part. Kim always treated me with kindness and respect. I thank God that we were all fortunate enough to have known her!

Love,

“ *What a wonderful person Kimmie was. I don't think I ever saw her without a smile. Her love and thoughts of others was always her priority it seemed. She always had a hug for you that were true from the heart. She will be greatly missed. My deepest sympathy the the family.*
