“ *To all of Larry's family,  
I'm sorry you must endure this loss. Larry was at Banco when I first met him and that began a friendship I will always cherish. We enjoyed many laughs through the years and I was fortunate to share many real estate discussions. He was a great mentor and I will never forget him. I send you all my sympathy and prayers for support.  
God bless and give you strength.  
Sincerely, Kevan Cortright*

“ I am so sorry to learn of Larry’s death in this morning’s paper. I have many great memories off spending time with Larry at the Elk’s Lodge monthly stags in years past. Playing pool with the pool shark himself. Many hours at Panera’s coffee lounge. And Larry’s Coup de’tat, which failed, when he sent his son, Mike, out to play golf with my friend, Ken, and me, and I luckily missed getting hit by Mike’s golf ball coming at me at Mach2 speed off a tree. I dhad to dive out of the way of the ball , but it didn’t miss me entirely. It struck my rear end and actually left welts on my rear from the dimples on the golf ball. Larry enjoyed that ribbing and many other stories we told each other. I really enjoyed the time I spent with Larry and will miss him.

I will miss Larry stopping by my house 2 to 3 times a week for a piece of pie and coffee and remembering the times from high school days. I especially enjoyed the last few months taking care of Larry at his house and meeting his sons by name instead of 1, 2, 3, and 4. I am sure Larry will find a coffee group with plenty of conversation! Miss you, my friend.
