“ I met Larry at Metokote probably 10 yrs ago when I was a rookie in sales, he was respectful from the start and over the years I loved chatting with him, he always had a great story about something crazy he'd seen while renting equipment in California or his trip to Maine a few yrs ago, I was very sorry to hear of his passing, and I just wanted to send condolences to his family and friends, he will be missed by many people he met.
