“ Please accept our sincere condolences. May the words quoted from this song bring you a measure of comfort as it did for us.
”If a man or woman should die, can they live again?
Hear the promise God has made:
He will call; The dead will answer.
They shall live at his command.
For he will have a longing
For the work of his own hand.
So have faith, and do not wonder,
For our God can make us stand.
And we shall live forever,
As the work of his own hand ”(Job 14:13-15)

“ I am so sorry about Larry's passing. It was such a shock, especially after reconnecting with him at church a couple Sunday's ago. He was a WONDERFUL person who always had a smile and a friendly word. God must have a special place for him.

“ *Suzy & Family - So sorry to hear of Larry's passing - our families' prayers are with you all, Larry was special to so many people in a multitude of ways. I treasure many memories of Larry during our teaching & coaching years together - we were most often on the same page. Special memories of helping Lester catch his "unique" rock bass, skiing to the dismay of the camp owner & stranded due to a gas shortage on a most enjoyable Canadian fishing trip. One of my most memorable moments in coaching was sharing the sideline with Larry while winning the 1981 State Football Championship. May each of you be at peace knowing you were part of the life of a very special person.*

“ *Dear Rittgers Family,
When I heard the news of Larry's passing I was flooded with so many great memories of him at the farm. Hayrides, bonfires, baby chicks in your basement, hooking up a hose to make a waterslide on the playground, trips to our cabin in Minnesota, and always food and fellowship! I'm so thankful for all those great memories and how he showed each one of us how to live life with Christ!
With Love,

“ Suzy we are praying for you and your family. Back in the early 1970's Larry was my Sunday School teacher. He was very passionate about the lesson plan and made the class interesting. We only had four or five students in our class so it was very personal. In one of the classes he put a small speck on the chalkboard then drew a line on the chalkboard looping the line back and forth several times with an infinity sign at the end of it...he stated that the speck represented our lifespan on earth and the line represented eternity in heaven and how important it was for each of us to be Christians for eternal life in heaven. That one really stuck with me since I'm a visual person and that speck was so small compared to the line. What a role model, he positively impacted so many lives.

“ Suzy & Family,
Almost 35 years of memories of joy that can never be taken from us. Our family as well as many others can attest to the fact that we are all blessed to be a part of a bigger family along with the Rittgers. Larry loved to work, loved to have fun, loved to tell stories, loved to laugh, and loved to help others. We have not just lost a friend, but a Brother in Christ who has gone home.

“ *Your family is in our prayers and thoughts. Larry was the tenant of our farm property for many years and we had great confidence in his abilities and skills as a farmer. Several of us visited you once and were made very welcome in your home. Larry gave us an excellent tour of the farm and was very good at explaining everything to us. We are so glad that we got to meet him once and see what a special person he was. We are very saddened by his death. May peace be with you. Cathy Henry and Mary Kelley for the Taylor Farm*

“ Dearest Suzy, Amy, Dan, Tim, Matt, and all,
You have been in my thoughts throughout these last few days. I am remembering countless times spent with you...at your home (working and playing), at church, at many events such as mission trips and the oh so famous clown outings (Remember the motor home trip to Cloquet?), baptisms, graduations, visits to Clear Lake for those first waterski adventures. The memories make me smile and remind me of the gift God gave me through the friendship of your family. I am praying that God is providing peace and comfort through your amazing family and countless friends. I know that Larry is experiencing face to face moments with Jesus and I trust that we will all meet again one day. My love and prayers for you.

Our family is so thankful that we just got a chance to spend time combining with Larry and Amy's family. The kids all thought Larry was so funny and kind and he let our 10 year old Cale drive a tractor which made his day. Your entire family is in our prayers as you go through these difficult days ahead.
