“ Had the pleasure of working with Laura, and dating her when she lived in Spokane, WA
I was terribly shocked and sad to learn of her death. I cared for Laura very much, and I hold her in high esteem in my memories of her.

She was always a joy to interact with, and taught me much about myself...as a friend.

I will miss her in this world. Love to you Laura.

“ *My husband and I were shocked to see that Dr. Calderwood had passed. My husband, a Vietnam Vet, had been a patient of hers. We both spoke with her often. She will be greatly missed. She was a wonderful, caring person. If you came into her office agitated, you weren't when you left! Our prayers go out to the family. Larry & Catherine Schroeder.*

“ I was one of Dr. Calderwood's patients. She always went above and beyond to ensure that the people under her care were safe and they knew that someone really cared about them. She will be greatly missed. She is one of the kindest people I've ever met. She had a smile for everyone.

I will miss you Dr. Calderwood. My condolences to the family.

“ With condolences to Laura's family and friends; She will be missed – from her wonderful sense of humour and laugh to stories of her “furry-footed ones”. We shared a love of gardening, cats, the Symphony, sailing and especially, family – all of which gave her such joy in life. Laura is gone much too soon but will always be remembered.

“ I didn't know her well except through the many accounts of the patients she worked with. I received lots of praise for the care she gave. The veterans will most certainly miss her!

“ Our condolences to the family.
Yes, we also received starters of her beautiful Shasta Daisies. She had such lovely flowers & quite a green thumb!
When we had our 'neighborhood parties', she was always so genuinely interested in how our extended families were doing & so caring.
We will miss her in the neighborhood & know she is enjoying gardening up in Heaven.

“ I never would have thought that years after Laura and I sat beside each other in the flute section at Nevada High we would be in the same P.E.O. chapter and live only blocks apart. Laura will always be an important part of Chapter MV. I have lost a wonderful P.E.O. sister, she will be greatly missed. Julie Book
