“ To Lennies Family,

Lennie & I spent much time as next door neighbors and buddies. Lennies was my best friend and we did everything together especially at the park. Played tennis and many other sports. We played basketball in my back yard for many hours even at night. We were with the Spry family also. I will always remember lennies when I think of my growing up. We lost contact over the years and I moved to Arizona in 87. I am very sorry for the sorrow the family is experiencing now but Lennie will be with us all.

“ Sharron and family... There are no words. I am so, so terribly sorry. There is no way to comfort you except to tell you how thankful I am to have shared Lenny's life with you. I have known Leonard my whole life. Wonderful neighbor, shared many, many, many tennis games together, basketball at O'Connors driveway, baseball, football in the street with McKelvie. Sharron, my life has been blown apart by Lennie's passing, and I will never, ever be the same for having known him.

I have to believe he is watching over us all now. Much more to say, but the words are just not coming now. Monday I will come to say good bye. Until then...I love you...
