“ I am not sure if you all will remember me, I used to take care of your dad at friendship village, he used to think I was his wife, I remeber the first day I got him out of bed and got him all spiffy, it nice pants and a dress shirt and walked him out to breakfast to eat with everyone, i remember him telling me i was the only one that could do that. I enjoyed your father very much, he was a wonderful man, I am sorry for your loss, I am glad I have so many great memories with him,
Ashley.
