“ *To the family of Leonard Miller...*

So sad to heard Leonard has passed. He was always such a good neighbor all these years we lived around the corner.

I told Dad, Holger Petersen, today so he knows and he asked i include him in this note. Dad has been at the Western Home since Sept 2020 after he fell and broke his hip. He too has been in the "red zone" with this virus stuff but so far he has been lucky and doing ok. It has been such a nasty year with this virus -- one just never knows.

We hope the family was able to spend a little time with him in his final days. We wish everyone well and stay safe.
