“ *My thoughts are with you. I had the pleasure of visiting Leora last summer when I traveled through Waterloo, and enjoyed her positive outlook and graciousness. Prior to that, my mother, Almeda Harrison Passet, and I had spent some time with her. I will never forget our outing to the Little Brown Church, where Leora played the organ. I will be unable to attend the services, but would like to send a memorial in her memory. Could someone send me information about your preference, and an address? Thinking of you, your cousin, Joanne Passet*

“ *Leora had a long and fruitful life; she taught many to enjoy music, especially piano. Our family followed yours to the EUB church in Boxholm;our first appointment out of seminary. Our daughter was about 17 mos. old and our 2nd daughter was born during our eight years there.We enjoyed a lot of good times in our retired clergy group,too, and she was our gracious hostess for lunch at Friendship Village for a long time. We will cherish good memories of Leora and Lloyd. The Watermans*
