“ John, as you know it has been a short time since I have known Linda & you, but I feel as if it has been a lifetime. We have shared our family stories, our good times and our sad times. But over the years of knowing Linda she was a true part of my life, a True friend, and a Wonderful person. She will be truly missed by many and of course by Missy.

“ John, I am so sorry to hear of your loss. My deepest sympathies go out to you and I pray that your memories of her will get you through.... The world sure has lost a wonderful soul who positively touched so many lives while here on earth. I met you both 20 years ago and had the joy of babysitting your animals and getting to chat with Linda & catch up on things when I'd run into her over the years. I will miss the beautiful, loving, fun, spunky person she was and the way she loved her animals. Anyone who knew Linda was blessed.
