“ There were 3 of us in the old neighborhood (Greenbrier) that hung out together. Debbie Fish, me (Debbie Getty), and Linda Spillman. We had some great times. We used to argue over which one of us got to use the name Danielle for a baby girl. Deb and Linda both won, as they both had baby girls that they named Danielle. Seems like just yesterday. I have often wondered what happened to Deb and Linda. I was the maid of honor in Linda & Billy's wedding. Have you girls seen the pictures? A yellow dress with a big (ugly, but don't tell the bride) hat!

My prayers go out to Linda's family, especially the girls. You will miss your mama, but I am hoping you have many wonderful memories to see you through.
