“ I am so very sorry to hear of Linford's passing. I had great joy taking care of him in the dining room at the CF Lutheran Home while he was there. I enjoyed his smile and gentle manner. I know there is sadness at this time for your family but I also know you are comforted by the knowledge that our Heavenly Father has called him home. Please accept my sympathy and well wishes.

“ I am Shirley's granddaughter and your cousin, Matt's daughter. I had the privilege of speaking with Uncle Lin to notify him on occasion of Grandma's health and whereabouts. My grandmother spoke highly of Uncle Lin as she did all of her family. Aunt Vi told me he lived a long, good life sharing God's love as did my grandmother. I still grieve for the loss of my grandmother, although I know she is in heaven with the Father, my grandfather, and other family and friends. It was where she longed to be for so many years. This thought has gotten me through the past two weeks. I know Uncle Lin has been received with open arms in heaven. I hope this thought helps you through these tough times. I wish you strength and send much love your way. Please, feel free to call me anytime. I would love to know more about Uncle Lin and your family.
