We were so sorry to hear the news about Lloyd and wanted you to know we are thinking of you. Whenever we think of Lloyd we picture him with the little boys. It was so obvious how much he loved them and what a good father he was. Blessings to you all.*

“ I'm so very glad we had the opportunity to visit last July out at Tom Lehner's. I went all the way through school with Lloyd and have so many wonderful memories of his twinkling eyes, and his playfulness. I am so saddened by his death. Please know that he brightened a lot of our days the whole time we were growing up. Lloyd had that special quality of making people feel good just by being around. God be with you and your family.
