“ *R.I.P., Ralph. Our sincere condolences, Stephanie and Robyn. We have such fond memories of your dad and mom. Living across the street from them for many years, we enjoyed so many good times together. Your dad could accomplish more in a day than most. Our memories of him and your mom will be near and dear always. Blessings to both of you.*

“ *Condolences to the Family of Ralph Carlson. We grew up, & ran around together in High School. One of us Guys, (Tom Johnson, deceased), got the first car of any of us. He would drive us all over. We all hung out together, & had many good memories. Ralph lived in Cedar Falls, all these Years, & so did I. We will surely miss Ralph. Great to see many of his friends have left messages on here. God speed Ralph !*

“ *I remember Ralph, as my older brother Ron and him would hang out with him....what a nice guy. Later I worked and retired from Viking Pump and every time I would see Ralph I would ask if he still had that 1968 Dodge Charger with the Hurst shifter....Many good thoughts when I think of Ralph. My condolences to the family. Bill Schuerman*

“ Ralph and I were friends from the time he was in 8th grade. He became my friend when I moved a block away from him. I'll always remember his sense of humor and how I enjoyed it. I'll miss him.....
