“ Dear Liz and family,

Although we never met your mom, I feel like I knew her through your animated stories of growing up on the farm. You are a wonderful daughter, and should be comforted in knowing you were with her.

A big hug from everyone in Basel.

Love,

Karen and Rupert Thorne

“ *I was in the office education program at Cedar Falls High School the summer of 1977-78 and worked in the Black Hawk County Election office. There were several of us who took breaks together. Lois was part of that group. She was so very nice to me and I enjoyed her company.*

Another angel in heaven to watch over us. I'm so sorry for your loss.
