Tribute Wall

“ Dear Darla, have been unable to reach you by phone and want you to know that we are thinking of you and your family as this very sad time for you all. I know the loss of a parent is very painful for those of us left behind, but we need also to celebrate the lives of those who have been such an intricate part of our life and be happy for your mom as she has completed God's journey for her on this earth. She is now with the Lord in that place we all are working toward and one day, in God's time, we will be reunited with all of our loved ones. Please know that Jerry and I have you and your family in our prayers and I will talk with you soon. Our love 'n hugs, Sheryll
