“ To all of my McGinn cousins, I'm so sorry to hear of Lois' passing. She was always so kind to all of us when we'd see her at family gatherings. I always enjoyed the visits from Uncle Bud and Aunt Lois and the kids. I'll never forget one McGinn wedding where Lois and my Mom Becky kept an eye on all of the kids (there were a lot of them) while the rest of the McGinns enjoyed the festivities. Lois and Bud came to the Waverly Hospital to visit all of us kids when my Mom was in Hospice there, and that meant a lot to all of my family. Take care and know that your whole family is in my thoughts and prayers  
Your cousin

“ I am terribly saddened that I am unable to be in my beloved hometown of Cedar Falls, Iowa to pay my final respects to Lois McGinn. The McGinn family was part of my ENTIRE childhood experience. I feel like a part of my childhood has just died with the passing of Lois. My mother will be there to physically pay respects on behalf of my family. MY HEART and LOVE will be there to pay respects today and ever more. With love, Susanna Frackiewicz-Ponce.

“ *McGinn Family: I had the pleasure of meeting Lois at the Al-Anon meetings in Cedar Falls. Lois was such a total pleasure to be around. She was very honest, blunt, did not mix words and when an Al-Anoner need help, to either talk at a meeting or on the phone, she always made the time! She was the most awesome person to me and I sure wished we had not lost touch. My thoughts and prayers are with all her family and close friends. She was one "SPECIAL LADY"!*

“ *I met Lois in 1980 at Miner School in Cedar Falls at a Al-Anon meeting. I can't begin to tell you how she helped me gain my self esteem back. She was known for helping people with self esteem. To this day, I share Lois's ideas with people who are struggling. She was one fiesty woman. It truly was a pleasure knowing Lois. My thoughts and prayers are with you all.*
