“ I wanted to let you know that I have very fond memories of Mrs. Bock. She was my piano teacher for many years. I always loved that she had a bag of popcorn waiting for me after school to eat while I waited for my lesson. Piano recitals and getting to roast hot dogs are other fond memories. She was a wonderfully caring and patient teacher. My own kids are now taking piano lessons and I ran across some of my old piano books from decades ago....got to see her notes in the margin and all. Please know that she touched many kid's lives in a positive way.
