“ Just found out that dear Loretta passed to her Heavenly home. I enjoyed my conversations with her over the past few years, especially the memories of growing up in Iowa and all the family reunions and picnics. So nice to have the memories. Rest in peace dear cousin.

“ No eye has seen. No ear has heard. No mind has conceived what God has prepared for those that love HIM! What joy to know Loretta is now exploring the joys of heaven! Through the years I always looked forward to seeing the two of you from time to time when we were out shopping. Loretta and her brother were a year ahead of me in school, so our friendship went back many years. Please accept our sincere sympathy on your mother's passing she will be missed by many. “ Angie, Dave, and Family! So sorry to hear of your mothers passing. Loretta always made me smile whenever I talked to her. She always had some cute, but silly comment to say to me but it was always in good nature. I remember when she found out about Debbie and I dating and she was so excited for not only me, but for us! Every time she would see us, she would tease us both like we were teenagers in high school. She was so funny, but yet she was so cute with her little flirtatious comments! We had been thinking of her lately since we hadn't seen her for quite some time! Going to miss her for sure! She was quite the Loretta! You are in our thoughts and prayers!!
