“ I just happened to goggle Louie's name and up came his obituary. Glad to see that he lived a very long life. I worked for the ICG Railroad in Bloomington, IL. I worked with Louie there for a short time while he was Road Foreman of Engines there. He was a super nice person that I have never forgotten. Rest In Peace Louie.

“ *So sorry to learn of your loss. I wanted to share a memory from when I was a kid. You guys locked him out of the house and I was playing outside. He asked me to crawl in your living room window to open the door for him. So many memories growing up living next to you.*

Louie, what an outstanding gentleman to work with way back in the 1980's along with my dad at the ICGRR. I also remember Louie playing his great gift of golf. In the past 5 years my wife Chris (Schaefer) would run into Louie and Joyce at Panera's after our church services, just a pleasure to be around and will truly be missed. Jim Draude

I met Louie when I moved to the Western Home in 2015. He would sing gospel songs and quote Bible verses and want me to join in. Louie was a good friend and we will miss him!

Cathie and family,

I would often see your Dad (and Mom) at Nazareth, but never did get to know him. Had I known that he sailed around the Pacific Ocean like I did during my Navy days, that would have led to many conversations I'm sure. I don't ever remember him NOT smiling!

May your days be filled with memories of the good times you shared with him, and may God's peace surround all of you at this time. Take care!
