“ My husband and I would like to convey our deepest sympathy to the family and friends of your beloved Lyne. We would like to share with you something that has brought us much comfort at a similar time in our lives. John 11:14-44 shares with us the experience of Jesus resurrecting Lazarus here on earth before the very eyes of those he loved. We can only imagine the tears of joy when we too are reunited with our dear loved ones. (John 5:28,29) Lyne will surely be missed by many of those who's lives she shared, remember the experiences you shared together and learn from them, hold them close to your heart and cherish them. May you find comfort from those who surround you at this very difficult time. Our sincere condolences to all of you

“ Lyne and I have been good friends ever since we were in the 2nd grade at school. We were in the same graduation class and also in Girl Scouts together. I've had a lot of good visits with Lyne and Sharon while shopping in Waverly. Lots of good memories of Lyne.

“ *Diane, I am so very sorry to hear of your Mom's passing. Through the years any time I seen her, she was always so friendly. You know I still remember when we were in elementary and we got to go on a field trip and it was to see all the fish you guys had in your basement. As kids, that was exciting!  
Cherish those memories. Lots of hugs and prayers,
