“ Lynne went to School in Sabin Hall on the campus of Iowa State Teachers College that was known a Teachers College High School. She was a special girl, and so pretty. I remember her coming back to school after a vacation wearing Bermuda Shorts with knee high socks to match. This was the first time anyone had ever heard of Bermuda Shorts in Cedar Falls, Iowa. She looked great and everyone wanted to have a pair too. Thus the Bermuda Short fad started, to be followed by Jamaica Shorts, which were a tad shorter.

“ outclasses at TCHS were small, so we knew and interacted with everyone. I enjoyed my friendship wth Lynne, actually saw my first TV at her house, I think at a slumber party. She was our 1956 homecoming queen, with a beautiful face and smile!
