“ We were sorry to hear that Margaret had passed away. I have several nice " family" memories of your mom over many years. My grandmother was Veronica Weigel, your Grandma Margie's sister. There were always many laughs when the Anderson's and Weigel's got together! Several years ago, your Mom and Dad came here to New Hampton for a mutual relative's funeral. We had such a pleasant afternoon visiting and reconnecting with them. (Your dad especially enjoyed going to our Carnegie Center, which has a lot of county history items, and telling us about the bank bills he had from a New Hampton bank). It was so nice to see them both again--such nice people. Our sympathy for your loss....Judy (Schueller) and Bill Riley

“ Sorry about your loss. Your place was my second home growing up. I will never forget all the pizza dinners.

“ Margaret and I didn't know each other very well, but we became acquainted as we attended the same mass time at Blessed Sacrament over the years. First she and her husband would greet me as they came in, and then she was alone after he passed. She was always so sweet to me, and as time passed we shared concern for the other's ailments. I will miss her. RIP Margaret. Sandy Naylor
