“ We are deeply saddened to hear of the death of our dear friend. We lived by Margaret in Cedar Rapids for just a few short years, but created memories we have treasured and will treasure forever. We offered to let her adopt us, but she settled for a golden retriever instead. Some people you can let go of easily when they move away, but we found ourselves always clinging onto the special times we shared with Margaret. (We did not know she went by "Faye" until she moved away.)

There was over 40 years age difference between her and us. but we could always find something to talk about. We especially liked to gossip about the neighbors. Dave and I are blabber mouths so she knew everything about us, but we would have to pry information out of her. She would not tell us when her birthday was or how old she was so we just celebrated it when we felt like it. She thought that was pretty funny. That is the kind of memory that we will always have when we think of Margaret. Laughing and mischievous.

May your memories give your family strength in this difficult time.
Our sincere condolences,

Dave and Deb kent

“ I want to express my sympathy for your loss of Margaret - she was such a wonderful person. I am a Realtor at Iowa Realty and helped Margaret with her Real Estate when she lived in Cedar Rapids. Margaret was quite business like, but such a kind person. I really enjoyed her.
