“ Bob, Rosie, and family...

I can't imagine what you are feeling now. All I can do is tell you how much I care. Knowing Peggy for over 50 years, not only as a co-worker but as a best friend, has been one of the greatest joys of my life. I will miss those weekly phone calls more than I can say. There will always be a special place in my heart for her. She was a very caring and generous person and I will always cherish my memories of the times we shared.
