“ *My Dear Margaret, Such a good friend for 62 years. So many good memories growing up 1 city block away from each other and staying in touch all these years. Lots of laughs, just like your mother. What fun we had. And how many times did I hear you say that Don completed your life and was such a wonderful husband to you and father to your children. You will be so missed. Love, Jane*

“ *We were so sorry to read in the paper that Margaret had passed away. We saw all of you at the Missouri Valley tournament in St. Louis but didn't get a chance to speak with you. We heard that Margaret was able to watch the Panther victory over UNLV. A true Panther fan to the end...Purple for Life. May your memories comfort you during these difficult days.
