“ Our hearts are heavy to learn of Marty's passing. We lived next door to Marty and Gene for many years! You couldn't ask for better neighbors! Marty was always so positive in her approach to life and ready to help if needed. There were many times when she took care of our dog if we went out of town. She loved to golf and enjoyed the activities at the country club. She was a devoted wife to Gene and her children, Michael & Doug. She spent hours writing letters to Doug since he lived so far away. Marty was a classy lady with a heart of gold.

We are sorry we are in California until later this month and cannot attend her service.

Our sympathy to Gene and Doug.
