“ *John and family,
Having been out of the country the last week or so, I'm only now processing the reality of this news about Margo. What a shock. I think of Margo as always kind and smiling, a really good conversationalist, and I always loved knowing how much she enjoyed having her quilting friends as guests at the lake. The South Shore sunsets will bring tender memories to mind for those of us who have treasured and shared them with those we've loved.*

“ *John and Family,
I just heard this afternoon about Margo from Sally Ehlert. I will so miss seeing her at the lake! I always enjoyed visiting with her- especial about her family and the latest books she had read. She always had a smile on her face and was like a grandmother to our kids and grandkids. I'm sure Amanda will cherish the baby quilts made by our very special Clear Lake neighbor, Marge.*

With sincere sympathy,

“ It is with great sadness that we send this message. It is difficult to endure the loss of a wife, a mother, and a grandmother. We have fond memories of the 20 years we spent as neighbors and friends. The kids had so much fun. Remember our thoughts and prayers are with you all.
