“*Mrs Rappaport was one of the kindest people I've ever known. She taught me in 7th grade geography at Pleasant Valley Jr high. I remember we liked it when she would pronounce "nine" in her Texas accent. On her own time she took me to the library and showed me how to use the card catalog and take notes on 3 x 5 cards. She also gave me the only gift I received on my 16th birthday. It saddened me very much to learn today of her passing.*

“*To the Rappaport family...I'm so sorry for your loss. I thought very highly of your mother. She was my teacher at Pleasant Valley Jr. High. And, after Paul was born and she returned to teaching, my mother took care of Paul during the day. She was a tough but fair teacher. When considering all of my teachers from kindergarten through college, she is in the Top 5 of my favorites. Again, my condolences to the family.*

*I will remember Marion as a warm and caring neighbor. Her gardens and wildflowers were so beautiful. She loved nature especially the butterflies. She was very proud of her family. You have our deepest sympathy. Ann and Richard Thill*
