RIP Aunt Marilyn! I'll always remember spending all those fun summertime vacations in Cedar Falls at Gramma Boysen's and Aunt Marilyn Uncle Herb Lisa Barbie Jo & Connie (and their ole Boxer doggy) doing fun things together. I remember once spending the weekend at the big white house and we were going somewhere in Marilyn's Pontiac Tempest and I asked if I could turn the key to start the motor and and reluctantly let me! That was a big thrill for a little kid haha. God Bless y'all Connie and Barbie! ☐

“ *I worked in the operating room at Sartori hospital starting in 1966, and Marilyn was working with Dr. Williams. she was always kind, helpful and encouraging and a joy to know! The best part was becoming a friend of hers outside of work. She will always be remembered as a special person! Jan*
