“ Dear Georgia,  
I know it's been a long time since we've been in contact, but I wanted you to know that you've been in my thoughts since I heard about your mother's death. My wife, Connie Lee, recently went through the loss of both her father and stepfather, so you have our deepest empathy and condolences.

“ Dear Georgia, I always liked your Mom, and I'm so sorry she died. Even more than 40 years later, I remember all those afternoons after school when you and I hung out at your house, and your Mom was always so welcoming. I still consider her poppyseed cake recipe one of the best recipes I have. Hope you and Brian are well. Still miss you to this day. Hugs to Deb and Teens. Love, Lyn
