“ *Our church circle has been missing Marilyn and her fun laugh. She and my mother-in-law and I were always comparing our latest cardinal shirts. I loved when she bought some Avon at Christmas time because it meant I could stop and see her tree filled with cardinal ornaments. She was a very special lady and will be missed. My thoughts and prayers are with your family.*

“ Denise: Sincere condolence on your mom's death. I recognized her picture right away in the courier this morning. She lived fairly close to me here at the Ledges, and would let me read some of her "special" books. We always knew that we were close in age and both loved reading. Charlotte Bergman

“ Lots and lots of memories. Just know my thoughts and prayers are with all of you.

I won't attempt the long drive Tuesday; I should have a driver, and I don't have one. So, right now, I don't think I will try it.
