“ Our hearts and prayers are with all of you as you mourn the death of your mom, grandma and sister. When I heard the news of Marge's death, I immediately thought of the vivacious, fun, welcoming big sister of Rose who so openly invited Rose, Mary, Beth and me into her home to hang out and talk about whatever hairbrained idea or scheme we had going on at the time-the wacky college days. She was so accepting of us. Ever since Rose shared with us Marge's Bill and I have been thinking of the amazing, strong, connected, loving, beautiful family that is gathering. It is an inspiration and a tribute to all of you how you come together in love. And, of course, we know that your beloved parents and brothers are now welcoming Marge into the communion of saints. Warm, long hugs to each and every one of you. With profound love, Bill and Christine

“ *Hey Kid!*

*Dear family, my prayers are with you all. I will miss Marge despite our lack of communication over the past few yrs. We can remember the days of our youth and growing up together. Rainbow drive, 'Petey', trolley, OLVA, Grandma Mae, Frances and parents and best of all each other. I will miss talking to you Jim, Rose, Mary, and John. The rest of you Mike, and Tim I will do better. Knee sugery will keep me from you in body but not in spirit. God Bless. Toni*
