“ Dear friends, we are sorry to hear of the passing of your mom/grandmother, but at the same time I know what her wishes were - that the Lord would take her Home soon, then there would be no more pain and she would be with her Lord and Savior forever!! It's the ones left behind who are sad. In past years I always looked forward to visiting with her at circle meetings, etc. Your parents were wonderful friends to many! May God give you His peace during these coming days.
