“ I had the blessed opportunity of knowing your mom and I know heaven just received one of the most special angels. You are a reflection of your mom in the way you treat people with respect and empathy. I think your mother's greatest legacy will be in the wonderful children she raised. She was so very proud of all of you. Remember ""a mother is with us always, first in her lifetime, then forever in our memory". I am so sorry for your loss.

“ *Bob and I worked together for USWEST and I met Marlene then. After Bob died Marlene and I continued in our email conversations about the affairs of the world and more importantly... family. It is with great sadness I hear of her passage. My wife and I will miss those conversations and her friendship. May the presence of God be with you all in this time of grief.*
