“ I remember meeting Martha on a trip to St. Pete in 1991 with J. Lynn - she was kind to me and I enjoyed being with her family. She loved the beach and collected all kinds of sea shells, which she displayed in her house. She absolutely loved the warm weather. She showed me a black and white photo of the house the family had in Wisconsin, when they were raising the kids, and there was 3-4 feet of snow plowed around it. She told me she keeps the photo up to remind her of those days and how glad she was to be in sunny FL with no snow. :) The family took me to a great place for grouper chowder and another place for fresh squeezed orange juice. My deep condolences to all of Martha's family - she will be missed!

“ I would like to express my deepest sympathy, and my mother-in-law's, on Martha's passing. Martha was my mother-in-law, Mary's best friend at Deery Suites. Martha had such a love of life and was so much fun to talk to. Her memories were facinating and having dinner with her was delightful. She was a beautiful woman, both externally but more important internally. We will miss her very much.
