“ *My deepest sympathy to you all. Marvel was a most beautiful, gracious, kind, and wonderful person inside and out. She always had a smile and was concerned about everyone. She lived a long and wonderful life, and I know you will have many warm and wonderful memories, and she will live on in your hearts forever.*

“ My husband Jim and I lived two house down from Marvel and George on Hudson Road in Cedar Falls; we couldn't have asked for better neighbors. She loved our dog Bo! I was fortunate enough to keep in touch with Marvel after we moved to the Iowa City area, seeing her when she was at UIHC for doctor's appointments. I feel blessed to have known her.

“ I remember Marvel had the nicest smile for everyone. She always cared about her family and I loved listening to her talk about George, and the kids. She put up with so much, with work and the boys' car racing. Marvel always had time for everyone. I always hoped she would wait on me at the bank. I loved listening to her talk and tell stories! I am sorry I did not know she was at NewAldaya, as I would have loved to visit her. May she Rest In Peace, after helping all those around her. Donna Walterman Schmeidel
