“ Steve, Erik and family, I'm very sorry about Mary Ann's illness and recent passing. We did a lot of business together over the years and she was always wonderful to work with. I will remember her as a very hard working person who was always trying to help others, especially her family. Great lady and she will be missed.

“ Steve, Erik and families, Was sorry to learn of your mom's passing. I know you have lots of good memories to hold in your hearts and will cherish them forever. I remember when you kids were little and she would always fix you mac and cheese for supper. I always wondered if that was all she knew how to cook but I'm sure that is just all you would eat so you got what you wanted. Your mom had a cute little giggle that I will remember and she never wanted her picture taken. Funny what a person remembers isn't it. Sorry for your loss. Aunt Janet
