“ Dear McCoy families,
I don't really know what to say. Our world has lost a lovely, gentle (and strong!) and holy woman. Weather will preclude me from getting to Cedar Falls for her funeral but please know that a great many prayers will be said. I have such good memories of Bernie and John and was blessed to be able to participate in a few of their New Years Eve celebrations; even when those celebrations needed to be modified. I was blessed to have known her even a little. Bernie's innate grace, her smile and gentle spirit will be greatly missed! I know how much she loved, and how proud she was, of all her family! Wishing you all Peace,
Lisa Berg

“ *I met 'Bernie' when I worked at the Western Home several years ago. She was such a delightful, positive lady! I always looked forward to seeing her when I came to work, and many nights I walked her back to her apartment after the dinner hour just to catch up on the latest news from around the building. She had the most beautiful soul-never a bad word, or a complaint came from her. She will be missed by so many.*
