“ Dear Ethel Ann,  
Just learned about Mary - I got to know her on the CF Historical Society bus trips and enjoyed her so much. I didn't realize your connection till a friend just told me. She will be missed. You are in my thoughts and prayers.

“ I grew to know Mary as a woman who really "lived" her faith. She and I enjoyed seeing who could get to the Cedar Falls Farmers Market the earliest on Saturday mornings. She usually beat me and then patiently waited at Paula's booth to buy her fresh bakery goods. Then in typical Mary fashion, would give it away to someone. Just Saturday morning she told me all about the wonderful trip she had just returned from. I will miss seeing you Mary, but I will forever remember your loving and kind spirit.

“ Dear Karl and Ethel Ann Koch,

We extend our sympathies to your family for the loss of Mary. Mary was a good friends of ours. We would have been at the funeral service, but at Mary's death, we were in Road Island visiting with our grand-children. We will miss Mary.

“*Mary was more than another co-worker at Sartori, she was a dear friend to all. She greeted everyone with a smile; often times shared a riddle or joke, and brightened up the day!! She was a true example of dedication, kindness, and faithfulness to her Heavenly Father. Thank you, Mary for coming into our lives; you have left a legacy of joy, kindness, smiles, and many photos. Heaven just got blessed with a beautiful Angel.*

“*No heart breaks alone for God is always near. When a prayer is whispered God is always there to hear. When sorrow's overwhelming, He comforts tenderly. A single tear never falls that he does not hear. (Psalms 65:2)*

“*I had the privilege of working with Mary at Sartori. Mary sat with us during lunch and it was brought to her attention one day that all the food on her tray was the same color. Ocassionally she would get lime jello and would then make sure everyone knew she had "color" on her tray. So Mary! She was an absolute joy to be around.*

“ Mary truly has a special spot in the hearts of our family & the friends she made throughout her life. Mary is my Aunt and the memories I have bring tears of laughter & joy. As a child, we spent many times playing hide & seek in my grandparents basement. "Fee fi fo fum" she would say. Of course she would outwit me every time! AND oh boy, did she ever make the BEST treats for all our family gatherings. I know our family has many candid moments documented because of her love for photography. I would like to think she is still snapping pictures from above. Thank you all for the kind words & remembrance of our special little helper "Muddy Duck".

*Mary made friends with who ever she came into contact with. I worked at Sartori also with Mary and she was always the happiest, cheerful, pleasant person she could be. She went up and down the halls with her laundry cart and not walking but was like a speeding bullet. Never saw her walk slowly. She loved her tours by bus, and her camera. She didn't go anywhere without her camera. She loved going to the Bible Conference and she would always ask me " Do you think I will get in trouble if I sneak out of here early?" " I have my scooter and need to get out before all the traffic and before it gets dark." Most of all she loved her Lord and heaven gained another sweet angel the day she left this earth for her "mansion" in the sky. Watch over us Mary and when our names are called welcome us Home with open arms. Rest in Peace and you will be missed.*

“ *Mary always had a cheery greeting for me wherever I saw her - often at a church meeting or at the band concert. When my mother was still living she would ask about her, as they worked together at Sartori. She was a faithful child of God!*

“ *I worked with Mary. She was always cheerful. I would tease her when she pushed her cart with laundry in it. I would ask her, " Is there a body in there?" And she would look at me like, NO! But then after a while, she would say, " peanut butter!!" Which was her exclamation for , what the..... So funny. So nice. So Mary.*

“ Mary knew how to get places either with friends from work, church or by riding her Little scooter as she called it. I really enjoyed her and will miss her,,I knew her from Sartori as she asked every morning "how many" (patients) and we weren't "allowed" to say "too many" & on certain days she would say, "HM??" (short for how many!!),,,gotta love that girl!! Such a kind soul,,she liked to visit her former neighbors at the western home and would send out a lot of greeting cards.
