“ Mary was everyone's favorite at Martin Center. I know she was definitely my favorite person I ever had the pleasure of taking care of; she reminded me a lot of my own grandmother & I think that's why I loved her so much. We'll miss her staying up until midnight to share snacks and chitchat with the staff every night; especially when she'd try to help us nurses with paperwork and tell us that she'd call doctors for us ;) She was one of a kind & we miss her to pieces already.

My deepest sympathies to the family.

Mary and Bud were our neighbors for over 25 years. We raised four sons across the street and let me tell you they never had a dull moment of watching our sons grow up. Mary and Bud were like another set of grandparents. Mary would always have time to have a conversation and certainly enjoyed her flowers. Garage sales each summer got the boys excited about seeing how much they could sell plus get to hang out with Mary. She was a special lady and we all send our love and deepest sympathy to Bud.
