My sweet sister: May you rest in peace and enjoy your rewards in the Lords arms. This is one date for which you were not late. You did so much for us all and gave us so many cheerful moments. You cared for others and finished raising a family alone. You did well sister dear!. You were strong when you needed to be. Always doing and going. God love you, because we do.

“ Hugs to all of my Franczyk cousins and family. I have so many warm memories of my beloved Aunt and godmother; especially those epic Christmas eve celebrations and family gatherings with great food and laughter always. Aunt Mary Ann was such a warm and loving lady, and her memory will always be cherished in my heart. God has picked another beautiful rose from his garden and has taken her home. Peace be the journey.
