“ *John and family,  
I am deeply saddened by hearing of Mary Lou's death. She was a PEO sister and such a kind person. This pass year or so she showed such courage and strength through very difficult times. A truly gracious lady. Our sympathy to all of you. May God grant you peace and comfort.*

“ *We remember Mary as a bubbly, rosey cheeked lady on the farm who did everything quite well and had the patience of Jobe. She was a good role model for anyone. We were quite blessed to have had her touch our lives.*

“ John, Marvin & families: Mary--what can you say about such a special person? She, like her mother, was a mild-mannered, soft-spoken lady. When seeing her at WCFsymphony or GBPAC performances, it was always fun to reminisce about the neighborhood, schoolmates or just Grundy Center in general. She was an inspiration to so many through her activities and piano students. She will be missed. My thoughts go out to all of you.

“ Dear family of Mary Lou,  
Mary Lou taught piano to 5 of our kids and through that became a friend. She was a PEO sister to Doug's mom and Mom thought highly of Mary, too. She and I also shared connections with Aurora, IL, where I was raised, because of the Mammingas. Mary will surely be missed. We keep all of you in our prayers.

“ Mary was a joy to have in class...always had a smile to share. Through it all, she maintained that positive outlook we all admired so very much. We miss having her.
