“ I live in SW Wisconsin, and just heard about Mary's passing. She was our oldest daughter, Laura's, kindergarten teacher at Hansen School in 1986. Laura was our first of 3 daughters to attend public school, and Mary greeted Laura and every other child with the most wonderful love and kindness. Our daughter thrived in her classroom, and we stayed in contact with Mary and Don for years through our membership at St. Pat's. I am so very very sad to hear of her passing, and we will forever cherish her memory and the love and kindness she shared with all of our family. May you all be comforted knowing how deeply she was loved. Blessings to Don and all of your family.

“ When I think of Mary, I think of the song title " Once Twice, Three Times a Lady." She was a wonderful lady....so gentle, so kind, so caring,so loving and so positive! She was a true role model for all of us...Oh how she loved you Don and her family. At Sunday morning coffee,as our group shared the week's happenings, Mary' s face would light up when she talked about her family, and I actually think her eyes sparkled when she shared stories about her grandchildren, especially "little Johnny!" She truly was "three times a lady." We loved her and will miss her! We will not be able to be with you on Friday. We WILL be with you in our thoughts and prayers. As soon as we return, we will contact you, Don. Sending our sympathy, love and hugs...

“ Mary was an avid reader and always shared book titles with me she thought I would also enjoy. Her first question was always "What are you reading". She was a strong woman and a wonderful friend.
