“ *My heart is broken and I am shocked at this news. I am so very sorry and all my love to you Sue, Melissa, Lathan, and to Matt's extended family. Although we lost touch as we got older, I am proud to consider Matt as a brother to me from growing up. Whether riding bikes around the UNI campus, riding dirt bikes when they were building the dome and Hudson road, to sleep overs, trips to Colorado or Minnesota skiing, to cruising University Ave (before all the damn roundabouts), and from swim practices, Matt's memory and spirit will be with me until the day I die. God bless you all and may he Rest In Peace.*

“ Sue, I remember Matt as a kindergarten student. He was so cute and easy to work with. I also remember that Mary Jane Finsand developed a special cook book for you when he was diagnosed. I am so sorry I will not be able to come to the visitation. I will be in Chicago where Jim and his family live for the holidays. My heart goes out to you and your family. Judy Finkelstein
